

CLIP bundles

NEW!

The most popular and necessary clips always at hand!

We have **10 clip bundles** in our offer. They contain in total more than **230 of the most popular types of clips** and fasteners for popular car brands.

The clip bundles come in closed, flat containers. You can modify the compartments for your own needs. Each compartment is labeled to help identify the reference. Clip bundles – lower price of clips and a handy container at no extra cost.
